RE: Individual Giving

Dear Edward and all our friends with the Pompeii Men's Club,

You are making a significant difference in the lives of children fighting critical illnesses by giving them the hope they need at a time in their lives when they need it most. Hospital stays, harsh treatments and scary surgeries are not only exhausting – they are *traumatic*. When a child receives a wish come true, they experience life-changing hope that nurtures their well-being. Research shows that a wish come true brings a child renewed strength to fight their illness.

Thank you for your donation of \$1,000.00 to the Make-A-Wish Foundation® of Wisconsin, as you play a role in making this hope a reality. With your investment, you bring children the experiences of childhood that a child deserves and support an often-key component to better health outcomes – today and tomorrow.

Make-A-Wish Wisconsin has been working with a community of dedicated people and companies, making magical wishes possible for more than 9,000 families over the last 40 years. Last year Make-A-Wish Wisconsin granted 434 wishes, and right now, nearly 400 wishes are waiting to be granted.

On behalf of wish children, their families and the Make-A-Wish Wisconsin Board, staff and volunteers, thank you for your dedication.

Warmest wishes,

Wendy Cozzens
CEO
